Dear Coach Hatcher:

On behalf of the United States Army Garrison and Fort Eustis Morale, Welfare and Recreation Fund, I would like to express our gratitude for the support and enthusiasm of your *Champions 4 Champions* troop morale program. I would also like to thank the *Champions 4 Champions* sponsors that have made it possible to bring in the legendary sports figures and link them together with our troops in Iraq by using superior satellite technology.

Being able to give our troops the opportunity to meet the sports figures that they have watched and admired for years is a great way of giving them a break from the challenges they face in today's world. We look forward to working with the *Retired NBA Players Association* on future events with the *Champions 4 Champions* program.

Thank you again for your support on this program. If you have any questions, please contact Sherri Noland in our Marketing Department at (757) 878-4430.

Sincerely,
