Dear Charles:

On behalf of the Membership, Board of Directors and Staff of the National Basketball Retired Players Association (NBRPA), we thank you and the entire Champions 4 Champions program and staff for helping to make *Project Smile* a tremendous success.

This year, the 2008 NBA All-Star events were focused on reaching out to the post-Katrina communities. The Legends were deeply moved by partnering with your group to not only present the Shoot for the Stars Clinic at Walter C. Cohen High School, but by being able to connect with troops overseas via your technology in an effort to help boost soldier morale.

We are thrilled that C4C's presence, along with the U.S. Armed Forces', was felt throughout all aspects of the Legends All-Star activities. The Legends were grateful for the unique opportunity to express their appreciation to the soldiers serving in Iraq, and we look forward to a continued relationship with C4C.

Our most sincere gratitude for being so wonderful to work with, and we hope that our partnership allowed *Project Smile* to truly fulfill its mission of boosting the spirits, bringing hope, and – most importantly – delivering smiles to the children in Louisiana who need the support.

Again, thank you.

Sincerely,

Len Elmore
President
